Education

| | |
|--------------------------------------------------------------------------------|--------------------------------|
| LNCT University, Bhopal Master of Computer Application | 2022 - 2024 GPA: 8.3/10 |
| Barkatullah University,Bhopal Bachelor of Science in Information Technology | 2019 - 2022 GPA: 5.8/10 |
| Madhya Pradesh Board (Class XII) | 2018 - 2019 Percentage:74 |
| Madhya Pradesh Board (Class X) | 2016 - 2017 Percentage:77.5 |

Projects

1.ATM Management System [Link]

- The ATM Management System is a Java-based project aimed at simulating the functionalities of an Automated Teller Machine (ATM). Leveraging JDBC for database connectivity, Java Swing for the graphical user interface (GUI), and MySQL for data storage, this project offers a comprehensive solution for managing ATM operations efficiently.
- Technologies Used : Java programming language, GUI framework Java Swing, MySQL for Database management, JDBC database connectivity

2.Online Art Gallery (Self) [Link]

- Developed an Online Art Gallery platform that seamlessly integrates Java backend functionality with a user-friendly HTML/CSS/JavaScript frontend. The project aimed to provide artists with a platform to showcase their work and art enthusiasts with an intuitive interface for discovering and purchasing artwork.
- Technologies Used: Java for backend development, HTML/CSS/JavaScript for frontend development, MySQL for database management, and secure communication protocols for data encryption.

3.Rock Paper Scissor Game (Self) [Link]

- I developed a Rock Paper Scissors game using HTML, CSS, and JavaScript, implementing core game logic and user interface design. This project showcased my proficiency in front-end web development and JavaScript programming skills.

Achievements

- Recognized by LeetCode for consistent problem-solving abilities in Data Structures and Algorithms (DSA), with over 50 days of active participation and successful solutions in 2023 and 2024. This achievement underscores proficiency in coding, and problem-solving skills.
- Attained Cisco's Cybersecurity Certification in April 2023, highlighting mastery of cybersecurity principles and practices endorsed by a leading industry authority.
- Mastered problem-solving skills by tackling and resolving 400+ challenging coding problems on LeetCode, showcasing exceptional proficiency in algorithmic thinking and coding techniques.
- Expertly provided detailed solutions for 600+ technical challenges coding problems on GeeksforGeeks; honed programming skills in C and Java, solidified reputation as a go-to resource for complex queries.

Skills and Interests

- Technical: Java, SQL, MySQL Database, HTML, CSS, JavaScript(Basic)
- Non Technical: Teamwork, Leadership, Public Speaking, Problem Solving

Relevant Coursework

Computer Science: Data Structures and Algorithm, Database Management System, Operating System, Software Design Patterns.
